The Link Between Breast Cancer and Foot Health

October is Breast Cancer Awareness Month, which means it's time to talk about the connection between foot and breast health. From cancer survivors to those undergoing treatment, breast cancer affects the feet in many ways, which can be an unnecessary burden for anyone affected.

Ankle Deep in Leaves? Don't Fall Behind on Foot Health!

Fall is a fitting name for the season that covers the ground in piles of leaves, but what that means for our foot health is an increased risk of injury. Our yards are not frozen in time like the winter; the grass gets new divots, driveways crack, and sticks, acorns, and other obstacles weren't there the last time you skimmed the pool on a nice summer day.

RECIPE OF THE MONTH

Spaghetti Salad

This hearty, flavorful spaghetti salad is perfect as a side dish or entree.

Ingredients:

- 1 package (16 ounces) thin spaghetti, halved
- 3 medium tomatoes, diced
- 3 small zucchinis, diced
- 1 large cucumber, halved, seeded and diced
- 1 medium green pepper, diced
- 1 medium sweet red pepper, diced
- 1 bottle (8 ounces) Italian salad dressing
- 2 tablespoons grated Parmesan cheese
- 1 1/2 teaspoons sesame seeds
- 1 1/2 teaspoons poppy seeds
- 1/2 teaspoon paprika
- 1/4 teaspoon celery seed
- 1/8 teaspoon garlic powder
- Chopped fresh parsley, optional

Directions:

1. Cook spaghetti according to package directions; drain & rinse in cold water. Place in a large bowl; add tomatoes, zucchini, cucumber, & peppers.
2. Combine the next 7 ingredients; pour over salad and toss to coat. Cover and refrigerate for at least 2 hours. If desired, sprinkle with parsley.

HISTORICAL FACTS

October 1, 1890 – Establishment of Yosemite National Park

Yosemite became a national park under an act signed by President Benjamin Harrison, preserving its stunning natural landscapes and setting a precedent for the national park system in the U.S.

October 4, 1927 – Mount Rushmore Construction Begins

Sculptor Gutzon Borglum began work on the Mount Rushmore monument in South Dakota, which features the faces of four U.S. presidents: George Washington, Thomas Jefferson, Theodore Roosevelt, and Abraham Lincoln.

October 24, 1929 – Black Thursday (Stock Market Crash)

The U.S. stock market crashed on what became known as "Black Thursday," marking the beginning of the Great Depression, a decade-long economic downturn that affected many countries worldwide.

October 28, 1962 – Cuban Missile Crisis Ends

The Cuban Missile Crisis, a 13-day confrontation between the United States and the Soviet Union over Soviet missiles in Cuba, ended when the USSR agreed to dismantle its missiles in exchange for the U.S. agreeing not to invade Cuba.
